**EXPLANATION OF THE CONTENT OF INQUIRY NO 102/2020**

on

**generation of transgenic mice based on PiggyBac insertion technology**  
to the Marcelego Nencki Institute of Experimental Biology of the Polish Academy of Sciences

Dear Ladies and Gentlemen,

In response to the questions received on 24.09.2020 concerning the content of the inquiry, the Contracting Authority provides explanations as below.

**Question 1**

We received the attached quote requests, and have a few comments to share with you prior to preparing our quotes.

For the PiggyBac, we would need the Nencki Institute to provide the license for using the PiggyBac technology. We do not have a license for using this system, but if it is provided we can do this work.

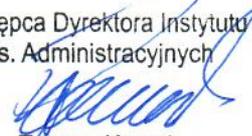

**Answer**

We cannot provide the license for using PiggyBac technology. License should be provided by the contractor (included in the price of the offer).

The deadline for submitting offers remains unchanged. Offers should be submitted by 29.09.2020 by 12:00 p.m. to the e-mail address: [f.dziaczkowski@nencki.edu.pl](mailto:f.dziaczkowski@nencki.edu.pl)

Best regards
